DESIGN CONSULTANT | EDUCATOR

Designer and Educator with 25+ years of combined experience delivering projects from concept through Construction Documents and Construction Administration, including master planning, site development, visualization, and consultant coordination. Known for clear communication, fast-turn production, and strong design discipline, with work spanning residential, commercial, institutional, and master-planned projects.

CORE STRENGTHS

Concept + Schematic Design | Master Planning | Site Planning | CDs + Detailing | CA Support | Project Coordination | 3D Modeling + Rendering | Graphics + Storytelling | Research + Writing

PROFESSIONAL EXPERIENCE

Prairie View A&M University – School of Architecture | *Interim Director of Architecture | Lecturer I* – Sept 2008 – May 2016; Sept 2018–Present

- Teach core studios/tech: ACI Summer Bridge, Architectural Design I–II, Visual Communications, Multimedia Digital Applications, CAD/BIM fundamentals.
- Mentor students through portfolio/resume development, critique culture, and professional readiness.

Arkitektion | *Founding Partner | Lead Design Consultant* – Jan 2003 – Present

- Provide project-specific design services: concept design, planning studies, 3D modeling/rendering, and documentation support.
- Coordinate with consultants/contractors to support design-build workflows; work spans U.S. + Africa.
- Project budgets range from \$100K–\$15M.

PGAL | *Associate* – Jun 2000 – May 2004

- Contributed to institutional/civic/aviation work including Rice University Colleges (Jones, Brown, Martel) and IAH Consolidated Rental Car Facility (~\$130M).
- Supported site development work (Albertson's TX/LA) and interior/renovation project scopes.
